Wyewood Champions Article
October 4, 2008

Many events begin as a great idea that over time and careful planning become a great event. This was not one of those but a reaction to losing two events in one season, WHACT (Wyewood Heavy Armored Champions Tournament) and Emprise of the Black Lion. What to do? Why hold all of our championships in one event, Wyewood Champions!

So, on a soggy and windy October morning we gathered at the field normally reserved for the shire's archery practices in Kent. This would be a test of waterproofing and wool, hot coffee and tea!

Archery

Archery was an easy set-up with Dearbhail and Daffydd resetting the range after it was mowed on Monday. Contestants started arriving around 9:30 and began warm up rounds. The competition began on time at 11:00 a.m. and was over before the break for lunch. There were eight competitors participating in the four different shoots. Tristan ran a smooth contest and had the regalia on hand for the new champion, Beorn Silverhair. After the competition there was an open shoot that several archers took advantage of. The main issue at the range was the weather as the wind came out of the south and brought rain with it into the archers' faces.

Armored Combat

Heavy fighting began after 2:20 in the afternoon. There were six combatants involved, three which were part of the actual competition. The format by outgoing champion Duncan Mackinnon was a double round robin tournament with varying weapon styles. This went faster than expected with Arthur Buchanan being the victor of the championship. The Marshal in Charge was Earl Cire, who was assisted by Baron Moonshadow and guest.

Rapier Combat

Conal MacLaren ran the event in place of the current champion Elias. Rapier began about one half hour after archery and the tournament format was a quadruple round robin. This made sense since there were only four combatants. Brian Campbell was the victor and was given the regalia.

The Marshal in charge was also Conal MacLaren.

Many thanks to give, especially to those that prepped the field earlier in the week. Thanks to our intrepid marshals braving the elements, keeping all of us safe.

Lady Elin Karlsdotter for yet another smooth running gate.

Archery Festival at Vulcanfeldt

Many of the Wyewood archers trekked over the mountains to the Barony of Vulcanfeldt to attend the Gilbert O’Gormley Memorial Archery Festival, held in Union Gap, Washington, on the weekend of October 10 – 12. AS XLIII (2008), where the Baron and Baroness, HL Shannon O’Duncan and HL Regina O’Duncan, and the event’s Autocrat, Ronan MacKee, welcomed our contingent very graciously.

Twelve prize arrows were awarded to Wyewoodians for their skills on the archery field and service:

- Light You’re Dead – won by Melissa, who defeated Andras (shooting for Cece), O.G.G.S.
- Clout Shoot – Evrard de Valogne, O.G.G.S. (30# and under class)
- York Round – Lorin (Bowman Class)
- Flight Shoot – Lorin (30# - 40# class) (212 yards with a 37# bow!)
- Childrens’ Royal Round – Rachel
- Royal Round – Arthur (Bowman Class)
- Royal Round – Gryffyd ap Madyn
- Defender of the Flock – Tymme Lytefelow and Tomas MacDonnchaidh – tied for Second, overall, and in several playoff rounds)

Rachel was also awarded 3 arrows for service to the Barony, and a glass beaded Ladybug necklace by the Autocrat, Ronan for assistance to him during the course of the event.

As the outgoing Baronial Protector, Daffydd de Doake was presented with a scroll as a token of his name being added to the roster of members of the Order of the Silver Bow. Replacing Daffydd is William Arwemakere: huzzah to the new protector!

Wyewood also posted the most scores overall, with 21 archers submitting totals to be forwarded for recording.

At last year's festival, Wyewood was challenged to bring another large group to the event in AS XLIII, and because we again had the most members outside the Barony, our Chief Archer, Tomas MacDonnchaidh, was presented with a crooked spear, signifying the "treacherous, winding roads traveled" to carry home, with the admonishment that it must be returned in AS XLIV, and can only be reclaimed if Wyewood again is represented as well, or better. All other branches are challenged to better Wyewood's attendance. All Wyewoodians are encouraged to join the festivities in AS XLIV (2009). There will be several new novelty shoots, coordinated by Wulfwyn. If you don't currently do archery, no worries, many of the contests rely on luck, rather than skill, and it's all a lot of fun!

The weekend, although very cold at night, flew by very quickly, with opportunities to visit with friends, old and new, and to share potluck meals as well as the traditional Wyewood Chocolate Social with all those wishing to attend.

FCS Site

- There is no FCS on November 27
- Starting in January, the current site will from \$40 to \$70 for the FCS time slot. The only possible upside is that the church group using it on Friday may change to Saturday.
- We have a possible new site at the Des Moines Community Center. It's \$50 a night for a 4 hour block of time. This site has a kitchen and allows food. The disadvantage is there is not place for fighting.
- There will be a test run of this site on Friday, December 19 starting at 7:00 and out by 10:30pm. This will be a full garb event and a show and tell for some of our newcomers. Please bring the stuff you do to show off. More details and directions to follow.
- Dec. 4 – Full Garb event in Renton
- Dec. 11 – FCS at Renton
- Dec. 18 – Fighters will meet at Renton for Practice
- Friday, Dec. 19 – Full Garb event at Des Moines and will include Business Meeting.

Officer's Positions

- There was a policy change on how people communicate that they are interested in an officer's position. The old policy was that they tell the person currently in the position, the seneschal and the royal patrons. From now on the person must e-mail the current office holder, the Seneschal, the Exchequer and Royal Patron if applicable.
- Tomas has expressed an interest in the Seneschal position. **ACTION** - If you are interested in the Seneschal position, you need to e-mail Sebastian and Miranda ASAP as they would like to have the interview on the Dec 8 Officer's meeting.
- Robert has expressed an interest in the Chirurgeon position
- Cire would like someone to step in as the Heavy Marshall
 - They must be an authorized Sr. or Jr. Marshall
 - They must be a member of the SCA Inc.
 - They must be 18 years of age
- The A&S minister position is up, but she will continue if no one is interested in the position.
- Exchequer position is up Dec 08, but she will continue if no one expresses an interest.
